Makena has been one of the most sought after areas for homes on Maui, and Makena Kai Estate does not disappoint. With recent renovations, this home is even better than before. Steps to the beach, and incredible views, makes this one of our Maui favorites!

Makena Kai is a one-acre private estate located just minutes away from world-class resorts, golf, tennis, shopping and fine dining. This home gently sits in a very secluded part of south Maui, close to: Ahihi Bay, La Perouse Bay, Big Beach and Hoapili trail with its dramatic deep blue ocean views only found here. This home encompasses dramatic, unmatched panoramic ocean views of Molokini Crater and Kaho`olawe island with a private and rural setting. Some unique features of this estate include a private Palapa with beachsand lookout, a custom 7-hole putting green designed with both beginner, challenging holes and a private Bocce Ball court as well as heated pool and garden whirlpool hot tub. Please enjoy this home and share in the use and care of all of its beauty and amenities. This is a private home rather than a commercial property. A considerable amount of time and resources are expended in maintaining the warmth and livability of this home, so please enjoy it in the spirit of Aloha. Tax ID: 130-795-5200-02.
