Recently completed, Villa Naima enjoys a private position above the popular Parasporos Beach and offers stunning 180-degree sunset views.

The spacious living and dining rooms and fully equipped kitchen flow seamlessly into the numerous outdoor entertaining areas. These thoughtfully designed outdoor spaces allow guests to come together or enjoy relaxed privacy. The large infinity pool is complemented by a pool lounge area, bar, outdoor bathroom with shower, dining area, and an external kitchen. Separate from the pool area, guests can also enjoy a Moroccan-influenced garden with a water fountain and a small lounge area. Attention to detail is evident throughout Villa Naima, from the outdoor and indoor living areas to each of the bedrooms. The five large en-suite bedrooms are split across two levels. Three bedrooms are located on the main level, each with independent outdoor access and views of the Aegean Sea. The remaining two double guest bedrooms are on the lower level. With unobstructed sunset views, easy access to Parasporos Beach, and the charming town of Parikia just a short drive away, Villa Naima promises a remarkable experience for all its guests. \*Please note Villa Naima and [Nardis](#) are neighbouring properties and can be rented together for larger groups.
