

Villa Maremonte

Split Riviera, Croatia, Europe	\$1700 - \$2500	6 Bedrooms	4 Bathrooms
Pool Ocean View, Mountain View	USD per night	(12 guests)	(1 ensembles)

Situated under the Kozjak hill and with beautiful sea views this 4-star villa is exactly what its name says- sea and mountain in one.

On the impressive property of 6000m2, the Villa Maremonte with Pool offers everything you need for your perfect holiday near Split. In the shadow of pine trees, olive trees, and other Mediterranean plants the outside area offers many options for various activities for both children and adults.

An inviting pool is surrounded by beach chairs where you can relax and soak up the hot dalmatian sun. On the upper level of the yard, there is a big lounge area hidden in the pine tree shadows. On the lower level of the yard, you can find a playground for children.

This modern Split villa features three floors. On the middle level, there is an open-concept living and dining area. Black and brown tones dominate the space and are complemented with wooden details. Everywhere around you, there are large windows that provide an unobstructed view of the outdoor area as well as an amazing sea view. Being so close to nature is so calming and restful. A fully-equipped kitchen has a big kitchen island and direct access to the terrace. One bedroom and a bathroom are also on this floor. The wooden stairs lead upstairs. Here you will find a bathroom and three cozy bedrooms in neutral tones and with a balcony. The ground level of the house features a bathroom and another two bedrooms where the double bed can be separated into two twin beds. The fitness enthusiast will be thrilled to hear that this villa has a private gym. After your daily exercise, there is no better place than a sauna which is also right here.
